

Make the most of playing outdoors this winter

www.crechendo.com

Bees, Trees and Dirty Knees!

Don't let the shorter days and colder weather restrict your outdoor play! We all know that **'the outdoor environment has unique characteristics and features'** (EYFS 2007), but often we feel that we are restricted by the weather and dark evenings. Crêchendo's practical Bees, Trees and Dirty Knees course introduces ideas and resources to brighten up your outdoor play – no matter what the weather - and looks at activities which embrace the winter elements.

The result? All year round outdoor fun as you and the children in your care will discover new ways to enhance their outdoor play experience. Cold, wet, windy, frosty and even snowy days will each offer a different experience and adventure.

During the session we will:

- Provide practical guidance on how to create an exciting and safe outdoor area when 'playing in the dark'
- Discuss how to make the most of your environment for wet and cold days
- Consider innovative activities to combat the winter environment including using torches, high visibility materials, walkie-talkies and much more

You will also learn how these activities support the EYFS 'open doors' policy.

How much will it cost?

Full day (6 hours): £750 + vat

Half day (3 hours): £450 + vat

SPECIAL OFFER: 10% discount on prices stated above for courses delivered between October to January.

Prices stated are for groups up to 15 people.

And remember, Crêchendo's experienced trainers can tailor the session to meet any specific requirements you may have, including identifying a site if you don't have a suitable one.
