Crêchendo launches Community Support Programme

Free child care training available to local London communities

On the 2nd March 2011, Crêchendo, one of the UK's most respected training organisations within the Early Years, Childcare and Playwork sectors is pleased to announce that it is launching a support programme for local London communities.

So, as our values are rooted in the long-term relationships that we have with our customers, participants and trainers, we wanted to offer something back. The Crêchendo Community Support Programme is open to all London Boroughs who would like to receive a free half day training workshop or course in their local setting. Applications need to be submitted by 31st May, after which we will select two Boroughs to receive the training."

The Crêchendo Community Support Programme allows successful applicants a free opportunity to enhance their skills and increase their learning with an established and highly valued provider of childcare training.
